

**THE DEPARTMENT OF ENVIRONMENTAL SCIENCES
UNIVERSITY OF CALIFORNIA, RIVERSIDE**

Lecturer Position

The Department of Environmental Sciences at the University of California, Riverside invites applications for the part-time Lecturer during the winter quarter of the 2009-2010 academic year in the following course: *Principles of Environmental Impact Analysis* (ENSC 172).

A minimum of a master's degree is required in some science-related field, although a Ph.D. degree in such a field is preferred. Previous teaching and industry experience related to Environmental Impact Assessment also is preferred.

Salary will be commensurate with experience for this Lectureship position. The closing date for completed applications is September 1, 2009.

Interested individuals should send a cover letter, curriculum vitae, teaching statement, at least three references, teaching evaluations or other evidence of teaching (if available), and proof of degree to:

Professor Kurt Schwabe
