

**GEORGE AND HILDA LIEBIG ENVIRONMENTAL SCIENCE SCHOLARSHIP
FOR UNDERGRADUATE EXCELLENCE**

Amount of Award: \$500 for the 2008-2009 Academic Year

Purpose: To reward the Environmental Sciences Major with the highest overall GPA upon completion of his/her undergraduate degree.

Eligibility: Students that have completed all the requirement for a bachelor degree at UCR with a major in Environmental Sciences, and are graduating during the 2008-2009 academic year.

Procedure: At the end of the spring quarter, 2008, the Environmental Sciences Scholarship Committee will determine, based on student records, which Environmental Sciences major has the highest overall GPA and who is graduating during the 2008-2009 academic year. This student will be presented with a certificate in the name of George and Hilda Liebig Environmental Science Scholarship for Undergraduate Excellence, and a \$500 award.
