

STOLZY-LETEY ENVIRONMENTAL SCIENCE SCHOLARSHIP

Amount of Award: \$750.00 for the 2009-2010 Academic Year

Purpose: To supplement the income that the recipient is earning through work to meet college expenses.

Eligibility: Current Environmental Science major who has either junior or senior status during the 2009-10 academic year. A minimum 2.5 GPA and evidence of employment currently, or within the past 12 months, are required.

Procedure: The following information must be provided for your application to be considered.

- Name and contact information (phone, email, and address)
- An unofficial transcript of your UCR academic record.
- Name of undergraduate academic advisor.
- A summary of your work experience while in college. Please list each job, your responsibilities, hours per week, and dates of employment.
- Evidence of employment currently or within the past 12 months (e.g. letter from employer, pay stub, etc.)
- A brief statement on why receipt of the scholarship would benefit the recipient and how the funds are to be used.
- A statement of your plans after you earn your degree.

Please send the above information to:

Linda Fernandez
Scholarship Committee
Department of Environmental Sciences
University of California
Riverside, CA 92521

Applications can also be filed electronically by sending them to:
linda.fernandez@ucr.edu

Application Deadline: November 15, 2009

Notification of Award: November 30, 2009
